4. Requesting Department: Transportation & Development

5. SUBJECT: Agreement for purchase of a 10-wheeled dump truck

6. RECOMMENDATION: Staff recommends City Council award Agreement ST4-072-3273 to Freightliner Sterling Western Star of Arizona, for the purchase of a 10-wheeled dump truck, in an amount of \$121,023.18.

7. BACKGROUND/DISCUSSION: The purchase of a new 10-wheeled tandem dump truck is a direct replacement for the stormwater crew's truck, No. 04406, which is a 1991 Chevrolet single rear axle dump truck. The 22-year-old dump truck is not rated for the current duty requirements of hauling trailers loaded with equipment and heavy material loads. Truck No. 04406 is underpowered and does not have sufficient braking system capabilities to safely pull equipment to the jobsites. The new tandem axle 10-wheeled dump truck is equipped with greater engine power, more torque, higher material capacity, improved braking system, upgraded transmission cooling, and appropriately rated hauling/towing capabilities.

8. EVALUATION PROCESS: On July 16, 2013, staff issued IFB ST4-072-3273 for purchase of a 10-wheeled dump truck. The bid was advertised and all registered vendors were notified. Staff received five (5) bids from three (3) firms. Results are on the attached spreadsheet. Staff is recommending award to Freightliner Sterling Western Star of Arizona who submitted the low responsive and responsible bid.

9. FINANCIAL IMPLICATIONS:

Cost: \$121,023.18.
